Referral Mechanics

How to redeem Smytten Bucks?

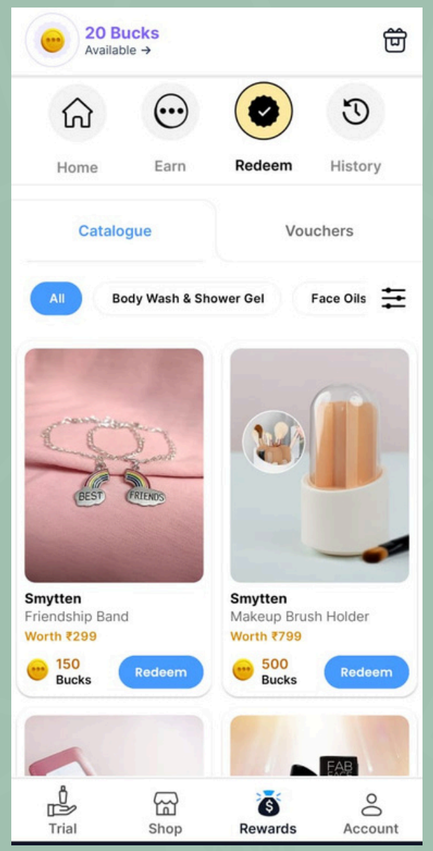

After earning at least 500 Smytten Bucks, you will be eligible to redeem it either for a Discount Voucher or any product(s) from the Reward Catalog. Rewards Catalog is a range of curated mix of trial & shop products, from the best of brands for you to #TrySomethingNew every day. Discount Vouchers unlock the possibility for you to get an extra discount over and above the existing product-level offers already running. Please Note: The Smytten Bucks will have a validity of 1 year after being credited, so make sure to use them before that!

Do I need to pay anything for a Referral Order?

Apart from the Smytten Bucks utilized, for a referral order, a nominal shipping charge of ₹60 is applicable per order.

What if my Referral Code is not applied at the time of registration?

In such a case, unfortunately, you will not be eligible to earn any Smytten Bucks. Hence, it is advised to make sure the code is being applied at the time of registering itself.

01. Sign-up Bonus

Both the Referrer and the Referee get 20 bucks each as sign up bonus, immediately after sign up.

02. First Trial Order Bonus

The referrer get additional 200 bucks when referee places a Trial order. (Trial points are granted upon signing up)

03. Redemption

After earning 500 Smytten Bucks:

- Discount Voucher
- Reward Catalogue

04. Limitations

- Referral limit of 10 people in a month
- Redemption option available only after 500 Bucks
- Smytten bucks expire in an year

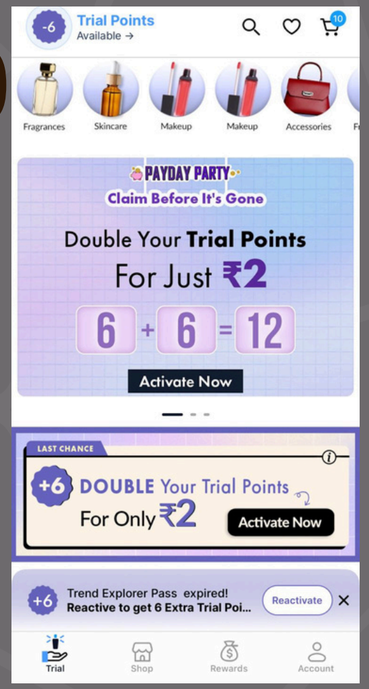

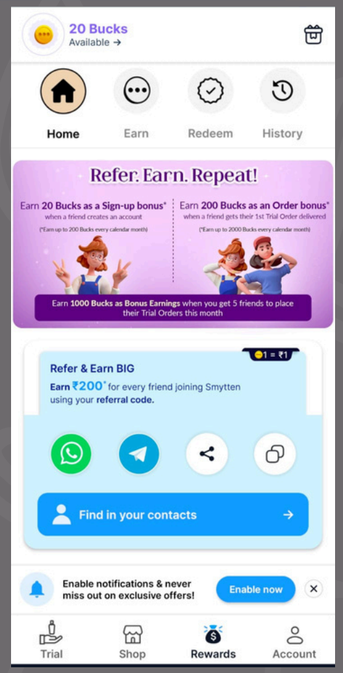

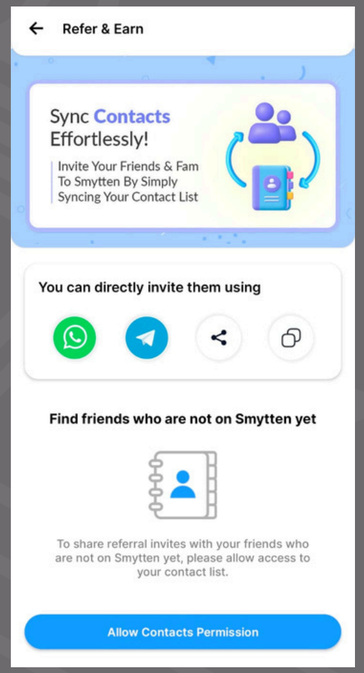

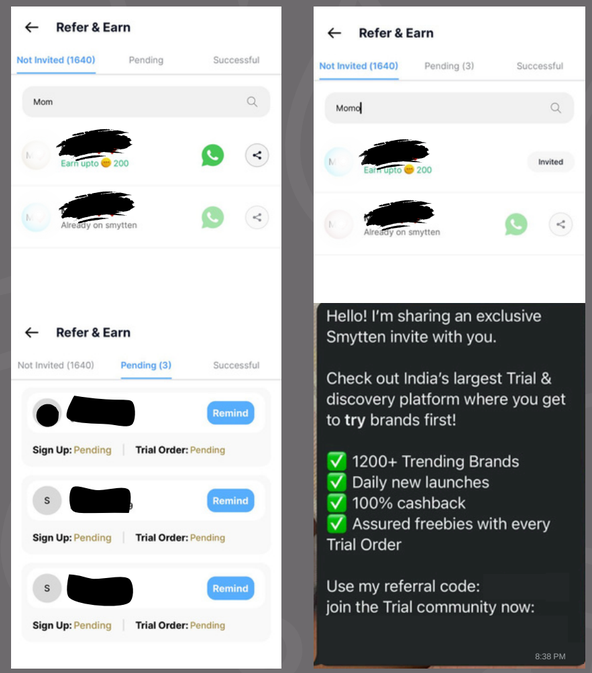

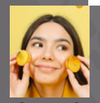

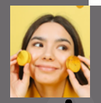

What is the Referral Concept?

Each member of Smytten has a unique referral code that can be shared with family/friends who do not have a Smytten account already. The new member who is signing up needs to manually enter the code at the time of signing up only. Once the sign-up is complete, you will be rewarded with 20 Smytten Bucks for each referral. When the referred member places their first trial order, you will receive 200 Smytten Bucks in your account upon successful delivery of the order. However, the order should be placed in the same calendar month of account creation. You will be eligible to refer up to 10 people within a month to qualify for the Referral Reward.

Key Points to Notes

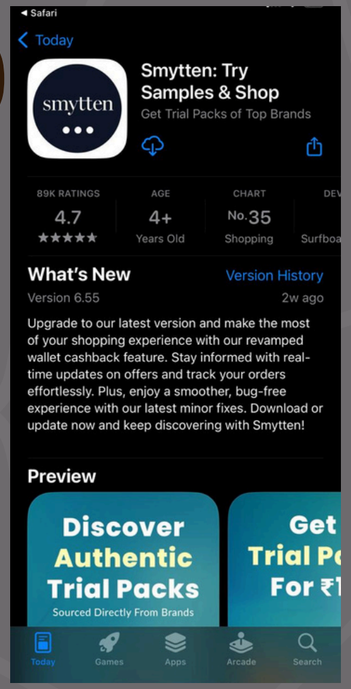

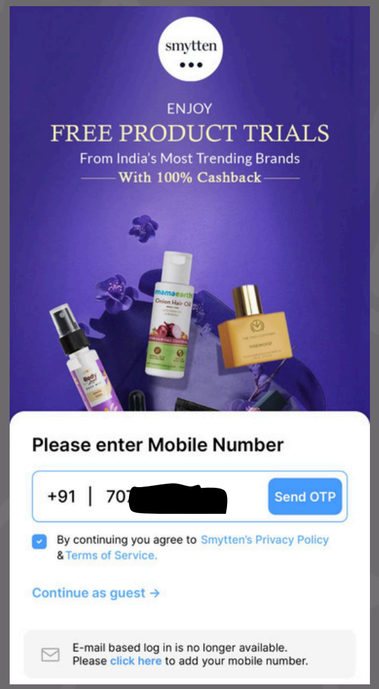

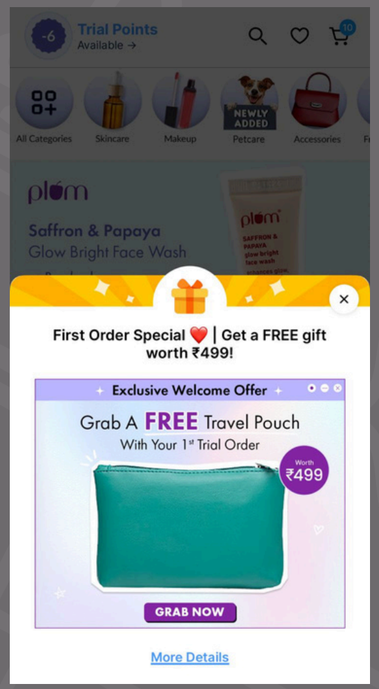

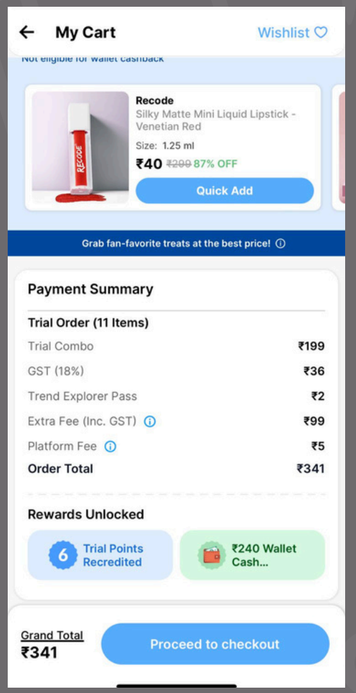

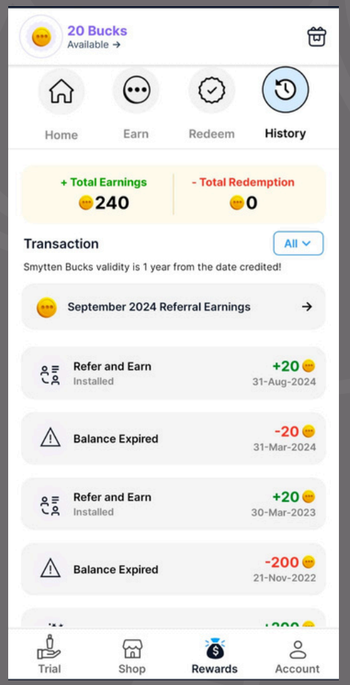

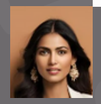

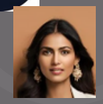

- **1 Symtten Buck= 1 Rupee**
- **Entire dedicated reward catalogue to shop physical products from.**
- **Smytten Bucks are dedicated for reward system only; different from wallet points.**

Journey Map(1/2)

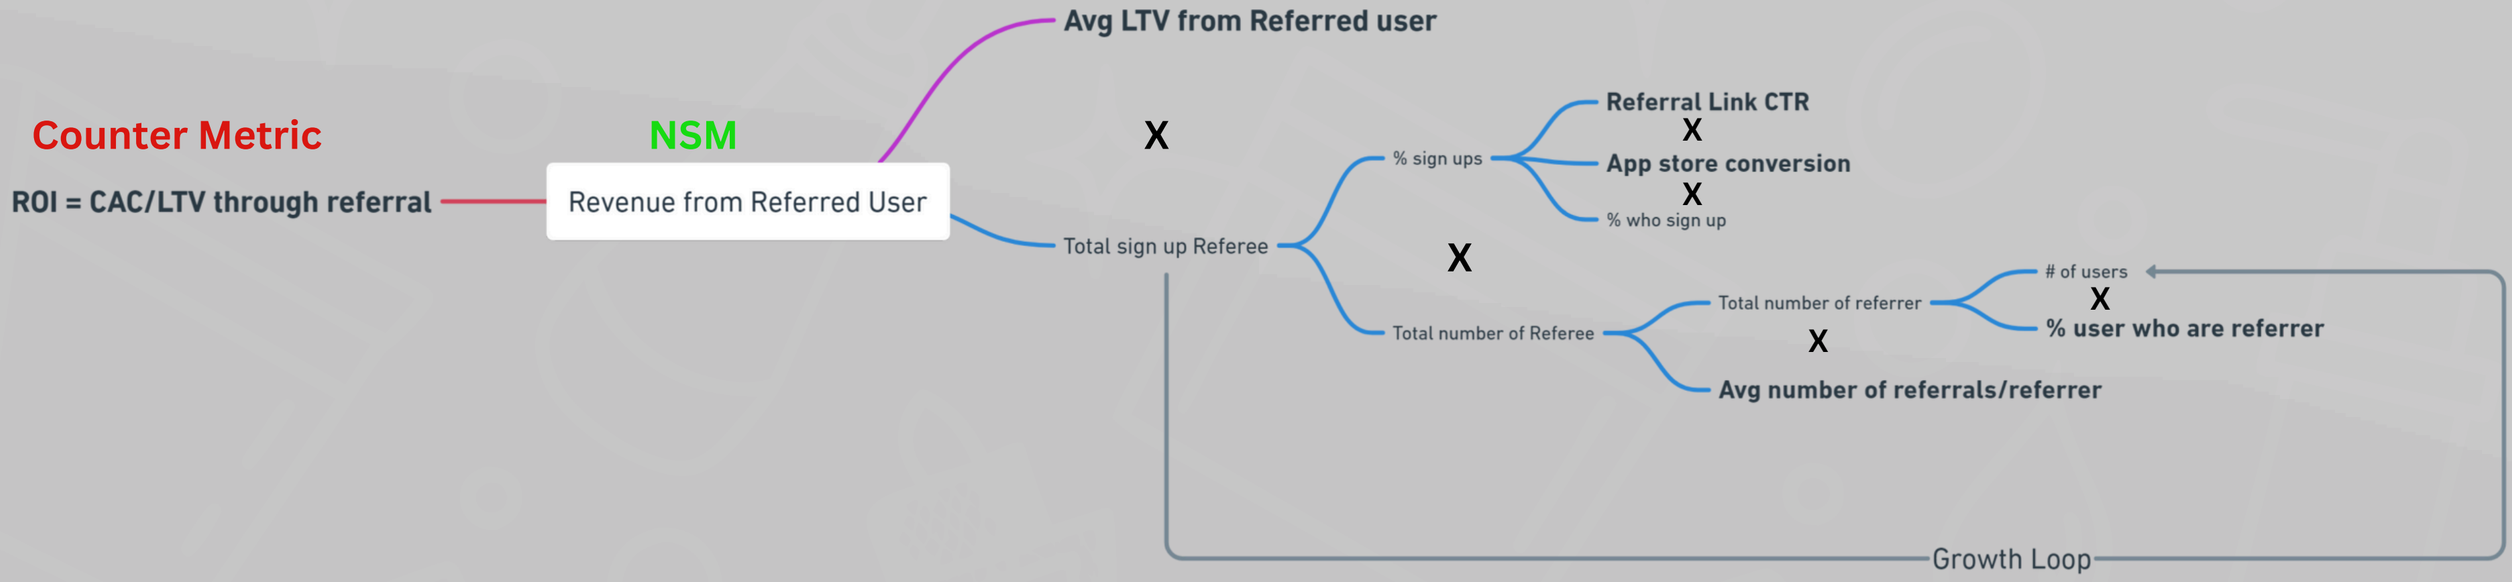

STAGE	Open the app	Checkout Referral	Referral Channels	Sync Contact to Share
STEPS				
THOUGHTS	"This is a great App for Trials. Thanks for introducing" "I should refer Priya , she would love it. Oh! I can see how"	"That seems very lucrative. Wow! I get both sign up & order benefit" "Now, I think I should refer Sheela & Shalini, they are in my contact "	"Okay! I can find more friends by syncing my contact details. It seems so convenient" "I wonder what else they will use it for? Lets give it a shot, I can remove permission later"	"Shalini is already here, so I can just send it to Priya others" "Nice! I can send it on WhatsApp, not sure if Priya reads SMS" "Great! I can remind Priya , if she forget"

Success Metrics

Review & Suggestions

KPI	Avg. LTV from Referee	CAC/LTV	Avg. number of referrals/referrer	% of users who are referrers	Referral link CTR	App Store Conversion
What they did right	**100% cashback** for trial orders, **Smytten Wallet cashback** for product purchases	**Minimum Threshold for Smytten Buck Redemption**	**Rewards for sign-ups** and referrals, **Bonus Reward** Structure	**Any one can Invite** (need not be a paid customer), **High Visibility** (Bottom Nav) **Easy Sharing, Refer-Earn-Repeat model**	**USP shared** in each **referral message**	Optimized **App store experience, Platform agnostic referral link**
What more can be done	**Incentivize user to share personal data** for recommendation personalization	**Reduce Threshold from 500 to 440** (2 referrals)	Gamify the referral program like **Leadership board**, Add **WA notifications for expiring reward**	Offer **incentives** for sharing, **Promote** the referral program **through various channels.**	**Personalize referral messages**, offer **exclusive benefits** for top referrers, **Improve SMS share** (not working sometimes)	**Optimize app store listing/Ranking**

If you can think of a successful referral program, let's discuss in the comments below!
